

Warsaw offers a wide array of accommodation suitable for all types of travellers. We recommend that you check the offers at the booking services (like booking.com or Agoda), as the prices and terms offered there are usually the most favourable. The hotel market in Warsaw is very dynamic, with new hotels opening every month. Therefore, we are sure you'll be able to find great offers for your stay.

We recommend that you book a hotel within a walkable distance or with a good taxi connection with the University. Please find a list of recommended hotels below:
